

Arbonne

We would like to welcome “Arbonne” into the salon. This exciting product range is to work alongside our ever popular Dermalogica.

The Arbonne vision is to provide skin care products unparalleled in quality and effectiveness developed in Switzerland more than three decades ago, by leading bio-chemists, biologists and herbalists.

Arbonne is inspired by nature and enhanced by science. All formulations follow the same philosophy:

Botanically based natural ingredients from nature.

pH balanced to maximise benefits,

Hypoallergenic tested

Formulated without animal products or by-products (vegan approved).

Formulated without mineral oil

Created without dyes or chemical fragrance,

Paraben Free

Biodegradable packaging.

Our Arbonne journey will begin with DETOX

Over time, environmental toxins can build up and affect the body. This may weaken the immune system and lead to skin breakouts, premature ageing, dry, dull-looking skin and poor digestion. Their SeaSource Detox Spa product range is created for relaxation, restoration and total renewal.

The below detoxifying services will help manage –

Fatigue

Stress

Poor Digestion

Skin Disorders or Breakouts

Stiffness, Aches & Pains

Weight Gain

Premature Aging

Cellulite
