

Dermalogica Therapies

Our therapists here at Salon Seven have all been trained at the International Dermal Institute enabling us to give you outstanding personal skincare advice and therapies. Each step of your Dermalogica service will be customised to ensure the treatment is as individual as you are. Skin issues and concerns will be addressed with advice, advanced products and treatment techniques.

Face Mapping

This unique personalised analysis divides your face into fourteen different distinct zones. This enables your therapist to truly prescribe the best procedure best for you and your skin. This service is complimentary, Either incorporated into your facial or as a separate 15 minute consultation.
